

Centennial Committee Meeting Minutes

November 18, 2019

St. Michael Fire Station

Meeting was called to order at 7:00 P.M. by Chairman Wuckovich.

The following committee members were present: Tom Bracken, John Gromley, John Hawksworth, Ed Hudak, Jim McCann, Eric Miller, Paul Kundrod, Darrin Smith, and Steve Unger.

There were no errors or corrections of the previous meeting minutes and they will stand approved.

We received some quotes on the Ribbon/Challenge coin and discussion followed and it was felt that a price of \$10.00 would cover the cost per ribbon/challenge coin. A form was presented for review by the committee for its approval to use as a prepaid order form. It was suggested by committee members to change the title of the form to use the wording challenge coin. Motion was made Darrin Smith seconded by Jim McCann to use the corrected form at the next county meeting for distribution and to start the orders. Motion passed all in favor.

The other point that was discussed if we want to have a parade or just as cruise in as was suggested at the last committee meeting. It was the feeling of the members to have a parade with a show afterwards. It was pointed out by several members that we should have this as part of the 2022 convention since we haven't listed something for this convention which would be the conclusion of the anniversary celebration. Motion was made by Ed Hudak seconded by John Gromley to pursue this course of action. Motion passed all in favor.

Eric Miller discussed some ideas for the banquet with respect to the finances, advertisement, along with ideas on the banquet itinerary. Other items such as entertainment, speakers, and guests were also discussed. Different members of the committee ask questions and offered some ideas with the above-mentioned items.

Old Business: none

New Business: none

Comments: Jim McCann brought up about doing the Video and to recommend to the body that the association front the money to get the video started. He also suggested the participants should be past presidents of the association. Discussion followed. Motion by Darrin Smith seconded by John Hawksworth to use past presidents and proceed with video. Motion passed all in favor.

Next meeting will be held at the Nanty Glo Fire Station at 7:00 P.M. on Monday, January 20, 2020.

Motion by James McCann seconded by Ed Hudak to adjourn motion passed all in favor.
