Dear Company Members,

It is the time of the year again for the Secretary of the Volunteer Firemen's Association of Cambria County & Vicinity to collect the association company dues. Your company's 2023 – 2024 dues of One Hundred (\$100.00) Dollars are now payable to the association.

Each department is encouraged to elect one (1), two (2), or three (3) delegates to the association. Please provide their information below. Your department may elect someone different each year, and if your department has had a delegate die within the past year you may replace that delegate with another member. All other past elected delegates may still be a member in good standing with the association if each past delegate, or their fire company, pay the sum of ten (\$10.00) per delegate.
